Identify and Ident

Literacy

Use talk to support reading and writing.

Speech

Provide a good speech sound model.

Communicating and Talking

Teach and practise new vocabulary. Create opportunities for children to talk about their interests and learning.

Understanding

Match our language to the child's level of understanding and experience. Use visual cues to support children's understanding of what is said.

Attention and Listening

Create a good listening environment. Teach and practise good looking and listening skills and use visual cues to support these skills.

Interacting

Ensure that every child has opportunities to interact with an adult and with other children throughout the day. Build positive relationships and support emotional wellbeing.
